Cook Inlet Tribes' Subsistence Consumption Assessment

- **Teleconference with Seldovia, UW Statistician, and WADOE - Tuesday April 2:** Brock Tabor from ADEC's Water Quality Standards Unit contacted Seldovia March 26 requesting additional consumption numbers/analyses (work conducted pursuant to an IGAP grant). UW Statistician Dr. Nayak Pollissar has reviewed the draft report, and will discuss his recommendations with Seldovia and R10 via teleconference Tuesday April 2. Dr. Pollissar invited Dr. Craig McCormack of WA DOE's Toxics Cleanup Program to participate on the call.

Consultation on Cook Inlet General Permit

- **Public Notice of Draft Cook Inlet General Permits - Friday March 22:** R10 published a draft NPDES General Permit for Oil and Gas Exploration Activities in Federal Waters, and ADEC announced a similar draft APDES General Permit for State Waters. There will be concurrent 60 day public review and comment periods. TTAU emailed information to Cook Inlet tribal Environmental Directors March 22 covering both EPA and ADEC permits, joint public meetings to be held April 29-May 2, and a "Permitting 101 Training" with a focus on oil and gas to be presented by OW to interested representatives of Cook Inlet tribes April 10.
